

# *10 Commandments of Fair Trade*

1. Build opportunities for people to raise themselves out of poverty.
2. Keep workers informed about business operations and seek their input.
3. Pay employees, creditors, farmers and other partners fairly with open communication.
4. Offer equal pay for equal work.
5. Eliminate child labor and slavery.
6. Establish gender equality and freedom of association
7. Provide safe, clean and healthy working conditions.
8. Educate workers to help them succeed in their work.
9. Honor the environment and make the least impact on the earth as possible. Reduce energy use and buy from local, sustainable sources.
10. Promote fair trade. Share fair trade principles and values with others!
